NEWSLETTER OF THE MANATEE COUNTY BAR ASSOCIATION

PRESIDENT'S MESSAGE

by Alexandra St. Paul, Esq.

This is my last President's message. The year has gone by so quickly and I have very much enjoyed serving the Association as its President this year. It was really rewarding. I could not have done it without a lot of help from the Board, Committee Chairs and members, and of course, Graceann who is the best Executive Director we could have.

Our Association, which dates back to 1905, is one of the very oldest Bar Associations in the State. I am really proud of this and the fact that we continue to grow and attract new members, despite the fact that many associations are stagnant or shrinking in membership. We all tried hard this year to make our lunch meetings more fun and entertaining. We had door prizes and drawings for gift certificates. Our speakers were great. They included Congressman Greg Steube, Representative Will Robinson, Carlos Beruff, David Lawrence Jr, Bryon Stroh of the Pittsburg Pirates, Brynne Anne Besio of the Bishop Museum, and our Florida Bar President Michelle Suskauer. Our Holiday Party at the Bradenton Country Club and our Beach Party at the Grimes' Beach House were reported by the attendees to be the best ever. Our Past Presidents' Lunch was well attended and the Scavenger Hunt was a lot of fun. And, let's not forget our very first "Vintage Attorneys Night", an idea that Kim Bald suggested and we ran with it.

As President, I had the privilege of participating in the Investiture Ceremonies for the Honorable Maria Ruhl and the Honorable Dana Moss. On behalf of our Association, I presented lovely wooden and glass decorative cases with gavels and the details of the Investitures. It turns out that our traditional gift, which has been given for many years, is a prized investiture present and is one of the nicest presented. It was so awe inspiring to be part of the ceremonies and to be present with all of our 12th Judicial Circuit Judges in attendance. They were very special ceremonies which I will always remember. We also redesigned our logo, giving it a nice update. Steve Dye spearheaded the project in collaboration with local graphic artist, Maria Massaro.

We reinstated the President's Message, which was part of the Inter Alia when it was first established as a monthly newsletter in 1979, the year my husband, Dave Deitrich, was President of our Association. We have had more Association sponsored low cost CLEs this year and now can get free CLEs from the Florida Bar's Legal Fuel. Through our connection to Broward County's Bar Association, we have available even more low cost CLEs.

Thank you so much for your help and participation. By working together, we have made this last year a success for our Association. I look forward to seeing all of you at meetings and events in the future and feel confident of our continued growth, success and camaraderie.

June 2019 MCBA Luncheon

The MCBA is very excited to announce this month's guest speaker will be Judge Gilbert Smith, Jr.! Not only is he a judge, but he is also an author, lecturer, and our MCBA "resident historian". Judge Smith will be sharing his knowledge of the MCBA with us and we welcome you to join us.

Please RSVP by June 21st to MCBA@manateebar.com.

The Next Chief Judge - An Eighth Generation Floridian

By Judge Gilbert Smith, Jr.

On July 1, 2019, when Circuit Judge Kimberly Carlton Bonner takes over as Chief Judge of the 12th Judicial Circuit, she becomes the first woman in history to serve in that position. With the unanimous support of all the judges, she leads a circuit, which is now composed of as many women as men.ⁱ Judge Bonner's election as Chief Judge sets a precedent for the future of the judges in this circuit.

The road leading to a woman becoming the Chief Judge in this circuit has taken some time. The first women elected as judges in the circuit occurred on September 12, 1972 when Evelyn Gobbie was elected circuit judge and Roberta Knowles was elected Manatee County judge. (Judge Gobbie had actually served as a municipal judge for Sarasota in 1964 before Article V of the Florida Constitution was revised.) That was only three years after the 12th Judicial Circuit was split and the 20th Judicial Circuit was created.ⁱⁱ At that time, the population of the circuit was approximately 230,587 residents. There were only eight circuit judges and five county judges serving the entire circuit with Judge Gobbie and Judge Knowles being the only women. Since that time, many outstanding women have served as judges in the circuit, but only a few have thought about becoming the Chief Judge. Since the 1972 election until recently, the men serving as judges outnumbered the women.

In 2002, there were 27 judges in the 12th Judicial Circuit which included only six women judges.ⁱⁱⁱ Since that time, an overwhelming number of women were elected or appointed as judges in the circuit. Today there are 31 judges which includes 15 women judges and that composition may change again in the next few years.^{iv} There have been several historic elections in the last few years where women were elected or appointed to a position, which had been held by men for decades. The election of Judge Bonner is not just a reflection of composition of the court, but a testament to her being the best person to serve as Chief Judge. She is optimistic, professional, organized and efficient with a quiet and measured tone. And, just as important, Judge Bonner was willing to take on a position which has been challenging in the last few administrations.

When Judge Bonner takes over as Chief Judge, the estimated population of the circuit will be approximately 900,000 residents. Since this circuit covers one of the fastest growing regions in the United States, the demand on the judiciary is going to be greater than ever before. Judge Bonner will have her work cut out for her as she oversees the administration of justice in the circuit.

Judge Bonner was born in Lakeland, Florida to Thomas Mabry Carlton Jr. and Barbara Carlton. Her father served as a Sarasota County Commissioner from 1981 through 1989. Judge Bonner and her sister, Lisa grew up on the family ranch in south Sarasota where the family raised beef cattle and grew citrus. She learned ranching from an early age and when not in school, she completed her chores around the ranch and took care of her own livestock. From eight years old until she was out of high school, Judge Bonner was involved in the 4 H program, which reinforced what she learned on

the ranch and taught her management and leadership skills that she has used all her life. She also became skilled in *raising steers*.

Judge Bonner is an eighth generation Floridian; and, her ancestors were not only leaders in the formation of the State of Florida but pioneers in the agricultural industry. Arriving in Florida not long after it became a state, her ancestors settled in the Peace River Valley, before Manatee, Sarasota or DeSoto counties were created. Life was much different in those days where settlers literally

lived off the land. The Seminole Indians were still living and hunting throughout the region that was abundant with wild animals. The Carlton families became successful in the cattle industry and agriculture and Judge Bonner's great-grandparents, Albert and Martha Carlton, were founders of the City of Wauchula. The Carlton families also became leaders in state and local government throughout Florida.

Her sister, Lisa was a State Representative and then a State Senator serving Sarasota and Manatee counties from 1994 through 2008.^{vi}

Judge Bonner graduated from Cardinal Mooney High School with an interest in history. She graduated with a bachelor degree in history from Stetson University before graduating with a master's degree in history from University of West Florida. Judge Bonner then graduated with her juris doctorate degree from Pepperdine University College of Law.

Judge Bonner began her legal career serving as an assistant state attorney for the 12th Judicial Circuit. After two years, she went in

to private practice perfecting her trial skills with the law firm of Dickinson & Gibbons. After three years, Judge Bonner moved to Washington, D. C. to serve as a staff attorney for the U.S. Department of Agriculture. She returned to Sarasota after a few years and became in-house counsel with Allstate Insurance Company. Judge Bonner now had experience as a trial lawyer in both criminal and civil cases, serving as an in-house counsel, handling regulatory law for the U.S. Department of Agriculture and acting as a corporate counsel for an insurance underwriter.

In 2002, Governor Jeb Bush appointed Judge Bonner as Sarasota County Judge and she excelled at that position, being re-elected for two terms without any opposition. She served as an instructor at the Conference of County Judges and ultimately became the president of the conference. After Judge Rick DeFuria retired, on July 11, 2013, Governor Rick Scott appointed Judge Bonner as circuit judge of the 12th Judicial Circuit.^{vii} She has excelled at that position and while serving as a judge, graduated with a master of law degree from the University of Nevada. Judge Bonner also serves as an instructor at the Conference of Circuit Court Judges and as chair of the judicial education committee.

Being a Florida native, Judge Bonner appreciates the outdoors and wildlife in the Florida. Like her ancestors, she lives on a ranch and is in the cattle industry. Judge Bonner is married to Tom and they are raising their daughter, Katie on the family ranch. Besides being a mom, wife, rancher and judge, Judge Bonner has many interests and passions, including being involved in 4 H with Katie who raises and trains rescued dogs instead of steers. Judge Bonner now raises two goats named Wyatt and Virgil Earp. She is also active with the Daughters of the American Revolution, which encourages young adults to become good citizens. Finally, Judge Bonner finds time to write books for children and other short stories. She has also written and published one novel with more to come.

Judge Bonner's journey to becoming Chief Judge has been inevitable if not exciting, since she will serving the same community where she was raised.^{viii} The 12th Judicial Circuit has had outstanding Chief Judges in its past starting with Judge Robert Hensley in 1970. All of them have managed the circuit differently and faced difficult issues, but all have been dedicated to the proper and efficient administration of justice. It will be exciting for all of us to watch Chief Judge Bonner lead the circuit into the future.

^v When Governor Rick Scott appointed Judge Renee Inman on November 27, 2017, as Manatee County Judge, it was the first time a woman had served on the Manatee County Court since 1984. Even more historic was when Governor Scott appointed Judge Danielle Brewer on October 20, 2016 as the DeSoto County Judge. That appointment was the first time in history a woman was appointed or elected as a judge in DeSoto County.

LAW DAY CELEBRATION 2019

On May 29th, 2019, the MCBA once again celebrated LAW DAY and what a time we had! We were honored to have both Congressman Greg Steube and Representative Will Robinson as our guest speakers. In our MCBA history, we have had several members of this Association who have served in the Florida Senate and Florida House of Representatives. However, this is the first year we have THREE members serving in office: Congressman Greg Steube, State Representative Will Robinson and Florida Senate President Bill Galvano. Several community leaders gathered to hear from our honored guest speakers.

The event was highlighted with the Pledge of Allegiance led by Sheriff Rick Wells and the Sons of the American Revolution Color Guard. Judge Gilbert Smith, and other members of the SAR, were in full uniform and a colorful addition to Law Day in their period costumes.

Judge Charles Williams awarded the Jim Slater Award of Professionalism to Chief Assistant State Attorney Heather Doyle.

Both Congressman Steube and Representative Robinson spoke on the highlights of their “freshman year” in their respective offices. Amidst the discussion regarding goals and legislation, both gave refreshing insight and a “behind the scenes” peak at what it is like to work in high-profile governmental positions.

At this event, Ana Perelygina, daughter-in-law of Charles Telfair, of Lutz, Bobo & Telfair, was on hand to taking professional photos while Jennifer Kistler of Boyer & Boyer attended to “tweet” the event out on social media as it happened.

METV taped the event and it can be viewed on METV’s YOUTUBE channel at: <https://www.youtube.com/watch?v=cyIBmnSRlsc>

Sponsors of LAW DAY include: Fidelity Bank, CenterState Bank, LawPay, Gettel Automotive, Firkins Automotive, Lucente & Associates and Barnes Walker Law Firm.

BEACH PARTY 2019

Another Beach Party has come and gone and if you missed it.....well, you missed a fantastic event!

The Grimes family beach house, "Caya Casa" was host once again to appx. 45 party goers. Festive fair of oysters, shrimp, barbeque from PigOut, ChickFila suggests, our very own steak sandwiches and ice cream from the Carlson Meissner Ice Cream truck were just a sampling of what was available at this year's event. Lively libations, and craft beer sponsored by Gold Coast Eagle were on tap as DJ Lynch once again spun the tunes as party goers watched a beautiful sunset over the Gulf of Mexico. It was here, that one was heard saying, "Wow, others save up to make a trip here and we get to enjoy this as a Bar member!" So true!

The feedback is, this was the best one yet and plans are already under way to do it again next year. Special thanks to the Law Day Committee, from those who grocery shopped, to grilled, to picked up food, to dragged in lots of ice, to took out trash, to cleaned up the beach, to washed dishes, to set up tables and chairs, to made sure the taps were working.....you get the idea! And, again, thank you to our sponsors and the Grimes family for donating their lovely beach house.

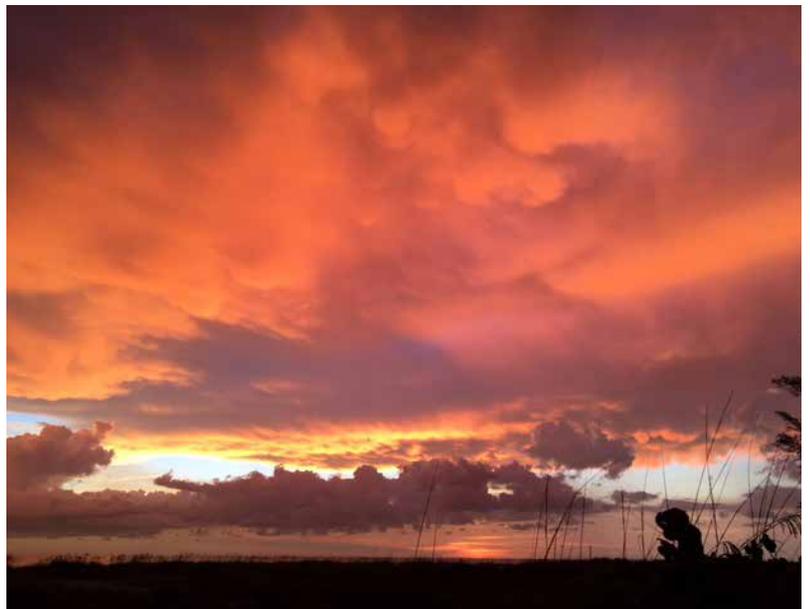

SPECIAL THANKS TO OUR
